

COLOMBIA INVESTMENT SUMMIT 2020

COLOMBIAINVESTMENTSUMMIT.CO

COLOMBIA INVESTMENT SUMMIT 2020

ProColombia invites you to participate in the 6th version of the **COLOMBIA INVESTMENT SUMMIT**, the most important Foreign Direct Investment event in Colombia, on October 7th, 8th and 9th, through a virtual platform.

This event will showcase all measures taken for Colombia's prosper economic reactivation and the role of Foreign Direct Investment, as well as the positive prospects and accomplished actions in terms of business and competitiveness. The Summit will feature the President of Colombia H.E Ivan Duque Marquez and Cabinet Ministers.

In addition, the Summit will provide the opportunity to book one-on-one meetings with local companies, project managers and governmental entities, which will provide further insight into the country's investment climate.

EVENT ALLIES

Scotiabank: A leading bank in the Americas

Scotiabank has over 95,000 employees and is a global Top 25 bank by market capitalization. In Latin America and the Caribbean, Scotiabank has 52,000 employees and in Colombia there are 7,000 employees (including Scotia Wealth Management).

Global Banking and Markets (GBM) provides corporate clients with lending and transaction services, investment banking advice and access to capital markets. GBM is a full-service wholesale bank in the Americas, serving clients across Canada, the United States, Latin America, Europe, and Asia Pacific.

Our strategy is focused on strengthening our franchise by expanding our full-service corporate offering, and our regional and institutional capabilities, to better serve our clients and deliver profitable growth.

For more information about Scotiabank's Latin America platform

Scotiabank™

WHY IS IT THE PERFECT TIME TO INVEST IN COLOMBIA?

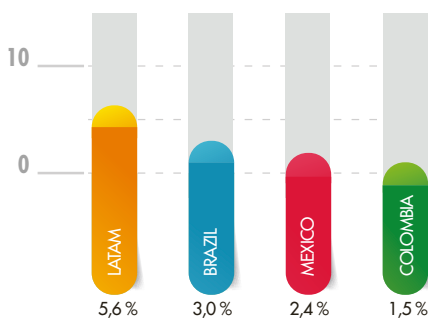

HERE ARE SOME REASONS WHY:

- ▶ Because it is now consolidated as a world-class economy with strong institutions and outstanding human capital.
- ▶ Due to its political and economic stability it stands out within other economies in LATAM demonstrating important opportunities for investors.
- ▶ The whole world is looking at Colombia as a platform for businesses, services and operations in LATAM.
- ▶ Colombia is strategically located to centralize business opportunities for America, Europe and Asia.

Over the past 50 years, the Colombian economy has been the fastest growing in the region.

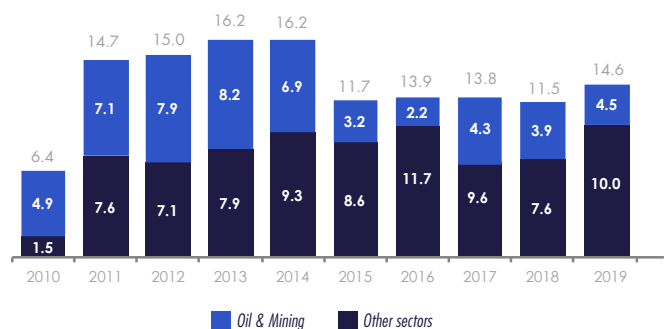

INFLATION RATES FOR 2020

Source: FMI 2020/Central Bank of Colombia.

In 2019, 68.8% of Colombia's FDI was mainly focused on the non-mining sectors.

FDI Inflows. (2010-2019) USD Billion

Source: Balance of Payments - Banco de la Republica.

The Central Bank of Colombia estimates inflation measure will end 2020 at 1.5%.

The growth of some sectors, as well as external factors such as the mass migration, increased unemployment in 2019, to 10.5%.

The IMF forecasts that the unemployment rate in Colombia will increase to 12.2% in 2020 and it will be around 11.9% in 2021.

Inward Foreign Direct Investment / Inward FDI	2019 (USD billion)
Brazil	72.0
Mexico	32.9
Colombia	14.5
Chile	11.4
Argentina	6.2

CREDIT RATINGS

The three most important risk assessment agencies (S&P, FitchRatings and Moody's) have rated Colombia with an investment grade.

Colombia, an investment grade country

STANDARD & POOR'S

FitchRatings

MOODY'S

TERM	Long Term- Foreign currency	Long Term- Foreign currency	Long Term- Foreign currency
RATING	BBB-	BBB-	Baa2

Colombia is competitively located, with easy access to global markets.

COLOMBIA BECAME A MEMBER OF THE OECD

The country's middle class increased and accounted for around 30.8% of the Colombian population in 2018 narrowing inequality gaps in the country. It is expected that Colombia's middle class will represent 46% in 2025 (24.7 million inhabitants).

Colombia offers a Free Trade Zone Regime where companies obtain a reduction of Income Tax from 32% to 20% No import duties. VAT exemption for goods sold from Colombia to FTZ.

Colombia has multiple development centers: 14 cities with a population of over 500,000 inhabitants and 27 cities with more than 250,000 inhabitants, which has helped to redistribute the country's growth and economic development in intermediate cities. It is expected that by 2023, 15 cities will have over 500 thousand inhabitants each.

Colombia is the 28th most populated country in the world and the 3rd in Latin America (50.4 million inhabitants) and the second among Spanish-speaking countries.

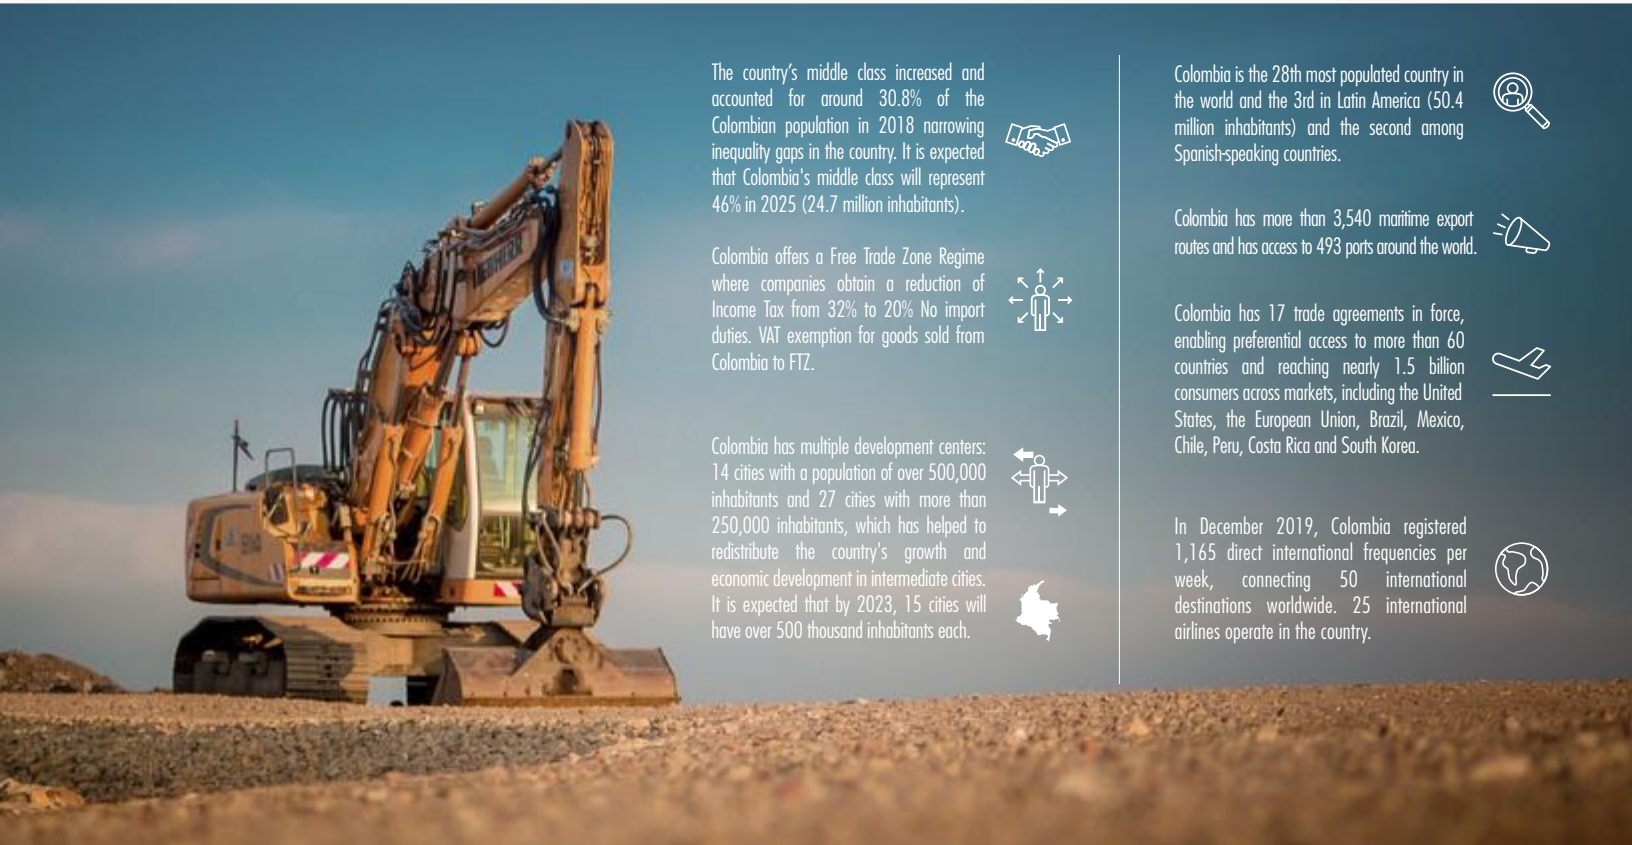

Colombia has more than 3,540 maritime export routes and has access to 493 ports around the world.

Colombia has 17 trade agreements in force, enabling preferential access to more than 60 countries and reaching nearly 1.5 billion consumers across markets, including the United States, the European Union, Brazil, Mexico, Chile, Peru, Costa Rica and South Korea.

In December 2019, Colombia registered 1,165 direct international frequencies per week, connecting 50 international destinations worldwide. 25 international airlines operate in the country.

A person is working on a robotic project in a laboratory or workshop. The scene is dimly lit with a blue tint. In the foreground, a large computer monitor is visible. The person is focused on a small, intricate device, possibly a robot or a sensor, which is mounted on a metal frame. Various wires and components are connected to the device. In the background, there are shelves with boxes and other equipment. The overall atmosphere is one of concentration and technical work.

Project information

Web platform that connects verified buyers and suppliers to optimize the processes associated with business purchases. Buyers publish their needs and receive online quotes from trusted suppliers - they save time and money. Suppliers reach more potential customers through their profile, ratings, and reputation on the platform. It is the new way of doing business. We launched January 2019 and now we have more than 2000 registered companies. GMV USD 1 million.

HOTEL IBIS

CONTACT PERSON:

Sra. Maria Margarita PUPO DEREIX

Project information

The resources will be used in the construction and start-up of the ibis hotel in the city of Montería. It is already under construction with a progress percentage of approximately 40%. The resources would be used to finish the hotel, and the operation of it will be used to pay the acquired debt in the term 10 years. The hotel leaves an annual profit of approximately 630 thousand dollars (this value is an average and with an occupancy of 75%). It will be an IBIS RED hotel and is planned to be in operation in early 2022. The expected IRR for the loan of the resources is 10.89% effective per year.

Domus San Patricio (Coliving/ senior living) The project is project located in Bogotá in Cra 17 # 106-73. The project has been designed and will be constructed by HB Constructora and managed by HOYOS LUQUE. The development consists of two towers of 5 stories each and 1 lower level for parking and storage units. It will have amenities such as gym, rooftop, cinema and coworking. It has 39 apartments, 50 private parking slots and 11 for visitors. Domestic hot water will be provided by a boiler system and an electrical supply plant for the entire building. From the architectural perspective, the proposed project is one with high specifications. It will aim to meet the highest market standards with a perfect balance of materials which create a natural and fresh environment. Available units

The basis of this business model is the income from the rents for office and retail spaces. This model was carried out in a traditional "academic" way, keeping the property for a 10 year holding period, and then sell the property with a stabilized cash flow from the net operating income (NOI) generated by the property divided by a projected capitalization rate.
