HUANCAYO – HUANCAMELICA RAILWAY

Objective: Comprehensive rehabilitation and improvement of the Huancayo-Huancavelica railroad comprises the design, finance, works execution, acquisition of rolling stock materials, operation and maintenance.

Responsible body: Ministry of Transport and Communications

Modality: Co-financed government initiative

Investment amount (w/o. VAT): USD 226.91 million

Concession term: 30 years

Area of influence: Junín and Huancavelica

Maximum date to present qualification credentials: May 2019

Estimated award date: 1st Semester 2019

For further information: www.proinversion.gob.pe/fhh

NEW PORT TERMINAL OF SAN JUAN DE MARCONA

Objective: Design, finance, build, operate and maintain and new port terminal of public use, providing specialize services of storage and load of concentrates of iron and copper, as well as the supplies of mining production

Responsible body: Ministry of Transport and Communications - National Port Authority

Modality: Self-financed unsolicited proposal

Investment amount (w/o. VAT): USD 540 million

Concession term: 30 years

Area of influence: Ica, Ayacucho, northern of Arequipa, Apurímac and Cusco

Estimated award date: 2nd Semester 2019

INTERNATIONAL TERMINAL FOR CONTAINERS OF CHIMBOTE

Objective: To award a concession contract to design, finance, build, maintain, operate and ultimately transfer a new port terminal specialized in containers in the Port of Chimbote

Responsible body: Ministry of Transport and Communications

Modality: Self-financed Unsolicited Proposal

Investment amount (w/o. VAT): USD 110 million

Concession term: 30 years

Area of influence : Ancash, La Libertad and southern Cajamarca

Estimated award date: 2nd Semester 2019

Private Investment Promotion Agency - Peru

REPOWERING TO 1000 MVA OF THE CARABAYLLO - CHIMBOTE - TRUJILLO 500 KV TL AND VARIABLE REACTIVE COMPENSATOR (SVC OR SIMILAR) +400/-150 MVAR IN 500 KV TRUJILLO SUBSTATION

Objective: The project consists of the design, financing, construction, operation and maintenance of a repowering of a 500 kV transmission line section in the mid north of the country and a Variable Reactive compensation equipment at the Trujillo substation. These investments will reinforce the transmission system in 500 kV of the National Interconnected Electric System (SEIN, by its Spanish initials)

Responsible body: Ministry of Energy and Mines

Modality: Self-Financed government initiative

Investment amount (w/o VAT): USD 90 million

Concession term : 30 years plus the construction period (33 months)

Area of influence: Lima, Ancash and La Libertad

Estimated award date: 1st Semester 2019

MODERNIZATION OF THE REGIONAL UTILITY COMPANY, ELECTRO NOROESTE S.A.

Objective: Modernize the management of ELECTRONOROESTE S.A., through the acquisition of new shares in order to provide a better service to customers in its area of influence. ELECTRONOROESTE S.A. is the company in charge of the distribution and commercialization of electric energy within the area of its concessions, located in the regions of Piura and Tumbes. Attending more than 405,586 thousand clients.

Responsible body: Ministry of Energy and Mines

Modality: Unsolicited proposal – Projects in assets and/or under Legislative Decree N° 674

Investment amount (w/o VAT): USD 105 million

Area of influence: Tumbes and Piura

Estimated award date: 1st Semester 2019

**NEW SUBSTATION CARHUAQUERO 220 KV (*)
AND VARIABLE REACTIVE COMPENSATOR
(SCV OR SIMILAR) +400/-100 MVAR IN THE SAN
JUAN 220 KV**

Objective: The purpose of the projects is to grant the concession for the design, financing, construction, operation and maintenance of Substations (Key Patio) that will serve to facilitate the maneuvers of the lines in the Chiclayo and Cajamarca area in the north of Peru; as well as allowing greater reliability in the supply of energy in the department of Lima

Responsible body: Ministry of Energy and Mines

Modality: Self-financed government initiative

Investment amount (w/o VAT): USD 29 million

Concession term : To be determined

Area of influence: Cajamarca, Lambayeque and Lima

Estimated award date: 2nd Semester 2019

500 KV PIURA NUEVA - FRONTERA SUBSTATION TRANSMISSION LINE

Objective: The Comprehensive Peru-Ecuador Interconnection Project includes the construction of a 500 kW Transmission Line that will link the Chorrillos Substation in Ecuador with the La Niña Substation in Peru (The Line). The Line includes the construction of two new midway substations: Pasaje Substation in Ecuador and Piura Nueva Substation in Peru.

Responsible body: Ministry of Energy and Mines

Modality: Self-financed government initiative

Investment amount (w/o VAT): USD 144 million

Concession term : To be determined

Area of influence: Tumbes and Piura

Estimated award date: 2nd Semester 2019

TINGO MARÍA – AGUAYTÍA 220 KV LINK, SUBSTATIONS, LINES AND ASSOCIATED EXTENSIONS; LA NIÑA – PIURA 500 KV LINK, SUBSTATIONS, LINES AND ASSOCIATED EXTENSIONS AND PARIÑAS - NUEVA TUMBES 220 KV LINK, SUBSTATIONS, LINES AND ASSOCIATED EXTENSIONS

Objective: (i) The 220 kV Tingo María Nueva – Aguaytía transmission line (73 km) begins in the future Tingo María Nueva substation located in the Department of Huánuco and reaches the Aguaytía Substation, property of Aguaytía Energy, located in Department of Ucayali. (ii) The 500 kV La Niña – Piura transmission line will connect La Niña substation with the future Piura Nueva substation with an approximate length of 87 km. (iii) The 220 kV Pariñas - Nueva Tumbes transmission line (158 km) includes the branching of 220 kV L-2280-Nueva Tumbes transmission line, the construction of Nueva Tumbes substation and extension of a cell in Pariñas substation for the exit to the Nueva Tumbes substation

Responsible body: Ministry of Energy and Mines

Modality: Self-financed government initiative

Investment amount (w/o VAT): USD 208.81 million

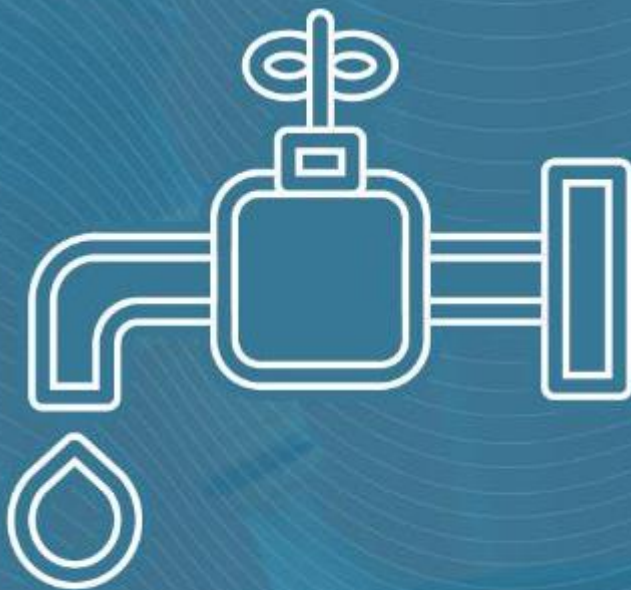

Concession term: To be determined

Area of influence: Tumbes, Piura, Huánuco and Ucayali.

HIGH-PERFORMANCE SCHOOLS : COAR CENTER REGION

Objective: 21-year concession for the construction, implementation, maintenance and operation of 4 high-performance schools (COAR) in the regions of Junín, Pasco, Huancavelica and Cusco.

Responsible body: Ministry of Education

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 86 million

Concession term: 21 years

Area of influence: Junin, Pasco, Huancavelica and Cusco.

Estimated award date: 1st Semester 2020

SCHOOL FACILITIES AT RISK : VILLA MARÍA DEL TRIUNFO

Objective: Concession for the construction, equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 5 educational institutions.

Responsible body: Ministry of Education

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 16.97 million

Concession term: 19 years

Area of influence: Districts of Villa Maria de Triunfo in Lima

Estimated award date: 2nd Semester 2020

**SCHOOL FACILITIES AT RISK :
LIMA METROPOLITANA**

Objective: Concession for the construction, equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 13 educational institutions.

Responsible body: Ministry of Education

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): USD 79.88 million

Concession term: 20 years

Area of influence: Districts of Villa el Salvador and San Juan de Miraflores in Lima

Estimated award date: 2nd Semester 2020

SCHOOL FACILITIES AT RISK: ATE
- SAN JUAN DE LURIGANCHO

Objective: Concession for the construction, equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 14 educational institutions.

Responsible body: Ministry of Education

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 84.96 million

Concession term: 25 years

Area of influence: Districts of Ate and San Juan de Lurigancho in Lima

Estimated award date: 2nd Semester 2020

SCHOOL FACILITIES AT RISK: COMAS – SAN MARTÍN DE PORRES

Objective: Concession for the construction, equipment, operation of complementary services and maintenance of infrastructure, furniture and equipment of 9 educational institutions.

Responsible body: Ministry of Education

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): USD 60.84 million

Concession term: 25 years

Area of influence: Districts of Comas and San Martín de Porras in Lima

Estimated award date: 2nd Semester 2020

CUSCO SCHOOLS INFRASTRUCTURE REINFORCEMENT, EQUIPMENT AND MAINTENANCE

Objective: School Construction, maintenance and operation of complementary services: Comercio 41 school, Uriel García school and Alejandro Velasco Astete school.

Responsible body : Ministry of Education

Modality: Co-financed unsolicited proposal

Estimated investment (w/o VAT): USD 18.88 Million

Area of Influence: Cusco

Estimated award date: 1st semester 2021

SCHOOLS IN AYACUCHO REGION

Objective: The concession includes the following components:

- a) Infrastructure that involves the replacement and enlargement of 3 schools and their equipment.
- b) Services related to the schools management

Responsible body : Ministry of Education

Modality: Co-financed unsolicited proposal

Estimated investment (w/o VAT): USD 16.66 million

Concession term: 25 years

Area of influence: Ayacucho

Estimated award date: 1st semester 2021

SCHOOLS IN SAN MARTIN REGION ZONE 2

Objective: The concession includes the following components:

- a) Infrastructure that involves the replacement and enlargement of 3 schools and their equipment.
- b) Services related to the schools management

Responsible body : Ministry of Education.

Modality: Co-financed unsolicited proposal.

Estimated Investment (w/o VAT): USD 35.44 million

TWO NEW HIGH COMPLEXITY HOSPITAL (ESSALUD)

Objective: The projects consist of the design, construction, equipment, operation and maintenance of supplementary services (gray coats) of Highly Specialized Hospitals for the Social Security System of Peru (ESSALUD); one will be located in the department of Piura and the other in Ancash

Responsible body: ESSALUD

Modality: Co-financed government initiative

Investment amount (w/o VAT): USD 254 million

Concession term: 17 years (operation and maintenance)

Area of influence: Piura and Chimbote

Estimated award date: 1st Semester 2020

**SOLID HOSPITAL WASTE
MANAGEMENT.
MINISTRY OF HEALTH**

Objective: The Unsolicited proposal to provide collection services, transportation, treatment and disposal of hospital solid waste from the health facilities of the MINSA in Lima Metropolitan (375 health facilities of which 352 are category I, 5 category II and 18 category III). It includes the construction, operation and maintenance of facilities for the treatment of bio-contaminated and special solid waste.

Responsible body: Ministry of Health

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 35.15 million

Concession term: 20 years

Area of influence: Lima Metropolitan

Estimated award date: 1st Semester 2020

HIPÓLITO UNANUE NATIONAL HOSPITAL

Objective: The project consists in improving the provision of health services of the Hipolito Unanue National Hospital, located in the district of El Agustino (Lima), for this the project proposes the construction of a new hospital and the integral equipment, as well as the maintenance and the operation of general services (non-hospital).

Responsible body: Ministry of Health

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): USD 250.20 million

Concession term: 18 years (includes period of construction, equipment, operation and maintenance)

Area of influence: Lima

Estimated award date: 1st Semester 2020

CAYETANO HEREDIA HOSPITAL

Objective: The Project comprises the design and construction of a new hospital and the integral equipment, as well as the maintenance and operation of the general services (non-hospital – gray coats).

Responsible body: Ministry of Health

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 186 million

Concession term: 18 years (includes period of construction, equipment, operation and maintenance)

Area of influence: Metropolitan Lima

Estimated award date: 1st semester 2020

SPECIALIZED HEALTH SERVICES IN PIURA DISTRICT HOSPITAL. RESIZING OF HEALTH SERVICES AT SULLANA LEVEL III SUPPORT HOSPITAL

Objective: The Project is aimed at closing the infrastructure gap and the population access gap to specialized health services, through the construction and integral equipment as well as the maintenance and operation of the general services of a new hospital of high complexity located in the district of Piura and the improvement of the hospital located in Sullana.

Responsible body: Regional Government of Piura

Modality: Co-financed unsolicited proposal

Investment amount (w/o VAT): USD 160 million

Concession term: 25 years (includes period of construction, equipment, operation and maintenance)

Area of influence: Piura

Estimated award date: 1st Semester 2020

HUAYCÁN HOSPITAL

Objective: The project consists of improving the provision of health services at Hospital of Huaycan, located in the district of Ate Vitarte (Lima), for which the project proposes the construction of a new hospital and the intervention in health facilities of the first level of health. attention and integral equipment, as well as maintenance and operation of general services (non-hospital – gray coats).

Responsible body: Ministry of Health

Modality: Co-financed Unsolicited Proposal

Investment Amount (w/o VAT): USD 119.60 million

Concession term: 20 years (includes period of construction, equipment, operation and maintenance)

Area of influence: Metropolitan Lima

Estimated award date: 1st Semester 2020

NEW ARMY HOSPITAL

Objective: The Project consists of designing, building, maintaining and operating the Central Military Hospital; and arises due to the need for members of the Army to have a state-of-the-art hospital considering the most innovative topics in certifications such as LEED 2009, leadership in energy and sustainable design.

Responsible body: Ministry of Defense

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): USD 115.5 million

Concession term: 30 years (includes period of construction, equipment, operation and maintenance)

Area of influence: Lima

Estimated award date: 1st Semester 2020

INA ESSALUD LIMA

Objective: The project consists of providing a new hospital Infrastructure and its maximum resolution level equipment (Institute), whose general services (non-clinical) will be operated by a private, to improve access to the insured children and adolescents population nationwide, which will provide adequate care to pediatric patients, with opportunity, quality, efficacy and efficiency.

Responsible body: ESSALUD

HEADWATERS AND PIPELINE WORKS FOR LIMA'S POTABLE WATER SUPPLY

Objective: Design, financing, construction, operation and maintenance of the following new works:

- Expansion of Pomacocha and Huallacocha Bajo reservoirs (to 90 MMC)
- Trans-Andean tunnel (10 km)
- Huachipa II Water Treatment Plant (5 m³/s)
- Additional reservoirs (137 000 m³)
- South branch line (40 km) incl. 7 reservoirs
- Interconnecting Lines (90 Km)
- Includes the O&M of the following existing facilities
- Huachipa water up-take
- Huachipa I Plant (5 m³/s)
- North branch line (27 km) incl. 4 reservoirs

Responsible body: Ministry of Housing, Construction and Sanitation.

Investment amount (w/o VAT) : USD 720 million

Modality: Self-financed government initiative

Concession term: 30 years

Areas of Influence: Junín and Lima

Estimated award date: 1st semester, 2020

WASTEWATER TREATMENT PLANT FOR HUANCAYO, EL TAMBO AND CHILCA

Objective: Proposes a new layout of six collectors, building of 4 waster pumping stations and construction of a 80 700 m³/H medium flow water treatment plant (PTAR) with reused water treatment that will provide adequate treatment to waste water through bacterial beds, while complying with standards established in current regulations

Responsible body: Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited Proposal

Investment (w/ o VAT): USD 90.25 million

Concession term: To be established

Area of Influence: Junín

Estimated award date: 1st semester, 2020.

WASTEWATER TREATMENT PLANT FOR PUERTO MALDONADO

Objective: The Project includes Financing, Construction, Operation and Maintenance of:

- i) One Wastewater Treatment Plant of 234.70 L/s, type UASB + Biofilters
- ii) Installation of 9 primary wastewater pipes
- iii) Construction of 6 pumping chambers with their pumping lines
- iv) Effluents shall be discharged into the Tambopata River

Responsible body: Ministry of Housing, Construction and Sanitation

Modality: Co-financed government Initiative

Investment amount (w/o VAT): S/. 57.99 million (*)

Concession term: 22.5 years approx

Area of Influence: Puerto Maldonado city, District and province of Tambopata in the region of Madre de Dios

Estimated award date: 1st semester, 2020

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR RE-USE, TRUJILLO PROVINCE

Objective: The project comprises the design, financing, construction, operation and maintenance of the sanitation infrastructure. It includes the construction of 3 WWTP for the districts of Huanchaco, El Porvenir, La Esperanza, Florencia de Mora, Moche, Victor Larco Herrera, Trujillo and Salaverry of the province of Trujillo, region of La Libertad.

Responsible body : Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): S/. 416.44 million (*)

Concession term: 23 years

Area of Influence: La Libertad

Estimated award date: 2nd semester 2020

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR RE-USE, CITY OF CAJAMARCA

Objective: The project comprises the design, financing, construction, operation and maintenance of a sanitation infrastructure. It Includes the construction of 1 WWTP located on the same site occupied by the old WWTP.

Responsible body : Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited proposal

Investment amount (w / o VAT): S/. 178.23 million (*)

Concession term: 23 years

Area of Influence: Cajamarca

Estimated award Date: 2nd semester 2020

WASTEWATER TREATMENT SYSTEM FOR A SUSTAINABLE CHICLAYO

Objective: Design, finance, improve, expand and maintain the following Wastewater Treatment Plants: PTAR Pampa de Perros, San José and Pimentel in Chiclayo, in order to ensure current and projected wastewater treatment demand in the area of influence, ensuring compliance with environment regulations concerning treatment of wastewater so it may be used in farming in the San Jose peasant community and remnants discharge into the sea; thus contributing the wellbeing of the environment and public health in the area of influence.

Responsible body : Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited Proposal

Investment amount (w/o VAT): S/. 154.85 million (*)

Concession term: 22 years

Area of influence: Lambayeque

Estimated award date: 2nd semester 2020

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR RE-USE, CUSCO PROVINCE

Objective: The project comprises the design, financing, construction and maintenance of a sanitation infrastructure. It includes the enlargement of San Jeronimo WWTP located on the same site occupied by the old WWTP within the limits of the land it already occupies .

Responsible body : Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited proposal

Investment amount (w / o VAT): S/. 135.78 million (*)

Concession term: 23 years

Area of Influence: Cusco

Estimated award date: 2nd semester 2020

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR RE-USE, CAÑETE PROVINCE

Objective: The project comprises the design, financing, construction, operation and maintenance of a sanitation infrastructure. It Includes the total actual and future demand of the population of Cañete, nowadays within the operation scope of EPS EMAPA Cañete S.A.

Responsible body : Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited Proposal

Investment amount (w /o VAT): S/.111.06 million

Concession term: 23 years

Area of Influence: Cañete

Estimated award date: 2nd semester 2020

WASTEWATER TREATMENT FOR FINAL DISPOSAL OR RE-USE, CHINCHA PROVINCE , ICA, PERÚ

Objective: The project comprises the design, financing, construction, operation and maintenance of a sanitation infrastructure. Includes the construction of 3 new WWTP in order to treat the entire sewage water of the city.

Responsible body: Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited proposal

Investment amount (w / o VAT): S/. 110.57 million (*)

Concession term: 23 years

Area of Influence: Ica

Estimated award date: 2nd semester 2020

WASTEWATER TREATMENT PLANT FOR THE CITY OF TARAPOTO

Objective: The project comprises the design, financing, construction, operation and maintenance of the sanitary infrastructure. Furthermore, includes the construction of a new WWTP.

Responsible body: Ministry of Housing, Construction and Sanitation

Modality: Co-financed Unsolicited Proposal

Investment amount (w / o VAT): S/. 86.88 million (*)

Concession term: 23 years

Area of influence: San Martin

Estimated award Date: 2nd semester 2020

WASTEWATER TREATMENT PLANT AND ADDITIONAL INFRASTRUCTURE FOR THE CITY OF HUARAZ

Objective: The project comprises the design, financing, construction, operation and maintenance of the sanitary infrastructure. Furthermore, includes the construction of a new WWTP.

Responsible body : Ministry of Housing, Construction and Sanitation
